NEWCON HOMES

EXCEPTIONAL QUALITY

Newcon Homes has a long lasting relationship with experienced tradesman who are highly skilled at what they do. A licensed builder inspects and supervises every aspect of the building process.

You will have peace of mind knowing that your new home will be built with the quality it deserves.

7 YEARS STRUCTURAL GUARANTEE —

SIX MONTHS HOME MAINTENANCE

Your new home comes with the added assurance of Newcon Homes six months maintenance guarantee. We care about our customers well after we have handed over the keys.

Your new
home
includes —

- Luxury 900mm Stainless steel appliances
- 2.7m high ceilings
- Convenient remote control garage door
- Alarm security system
- Luxury basins and deluxe chrome tapware
- Driveway, concrete path around the house and fencing

And much more...

SAME DAY RESPONSE POLICY

Buying a home is a big event in your life and at Newcon Homes we value our customers and their investment.

If you have any queries during the construction or after we promise to respond the very same day.

There is no waiting time as you are dealing with the builder directly avoiding the hassle of having to deal with various supervisors.
